

## **Lone Star National Bank Funds Availability Policy**

Our policy is to make funds from your check deposits available to you on the FIRST business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive your deposit. Once the deposits are available you can withdraw the funds in cash and we will use the funds to pay checks you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays.

If you make a deposit before 9:00 p.m. Monday through Friday on a business day we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the cut-off time or on a day we are not open, we will consider the deposit was made on the next business day we are open. Our cut-off time is 9:00 p.m. central time. Mail-in deposits are processed by 3:00 p.m. central time, that day.

### **LONGER DELAYS MAY APPLY**

In some cases we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the SECOND business day after the day of your deposit. However, the first \$275.00 of your deposits may be available on the FIRST business day.

If we are not going to make all of the funds from your deposit available on the first business day after we receive your deposit we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit.

If you need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

### **SAFEGUARD EXCEPTIONS**

- We believe a check you deposit will not be paid
- You deposit checks totaling more than \$6,725.00 on any one day
- You redeposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six months
- There is an emergency, such as failure of communications or computer equipment

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the SEVENTH business day after the day of your deposit.

## **SPECIAL RULES FOR NEW ACCOUNTS:**

If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposit will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725.00 of a day's total deposit of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the FIRST business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$6,725.00 will be on the NINTH business day after the day of your deposit. If your deposit of these checks (other than a U.S. treasury check) is not made in person to one of our employees, the first \$6,725.00 will not be available until the SECOND business day AFTER the day of your deposit.

Funds from all other check deposits may be available on the seventh business day after the day of your deposits.

## **SPECIAL PROVISIONS:**

All ATMs we own or operate are identified as our machines.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would not then be available for withdrawal until the time periods that are described elsewhere in this disclosure for the types of check that you deposited.
